

Australian and New Zealand Society of Jungian Analysts

Invitation to Mental Health Professionals

The Analyst's Shadow

Saturday 30th April 2022

Zoom

9.00am - 12.00pm AEST

Numbers limited

This workshop is for analysts and therapists who are interested in a depth approach to therapy from a Jungian perspective. The ongoing task of becoming aware of and working with our unconscious communications in the work will be discussed. We will consider the everyday autonomous and involuntary emergence of our shadow, how this is experienced and how this might be worked with in an ongoing way.

PRESENTER:

Dr Beth Foley completed her analytical training with the CG Jung Institute of ANZSJA and is in private practice as a Jungian Analyst in Coffs Harbour. She has practiced as a clinical psychologist for over 20 years. Her PhD researched the therapeutic effectiveness of mindfulness-based therapies in psychiatric and oncology settings and resulted in a number of academic papers. She has provided training and lecturing on acceptance-based therapies, existential issues and psychodynamic therapy for many years.
